

## **Part Time Research Assistant to Global Executive Search Firm**

**Russell Reynolds Associates** is a global leader in assessment, recruitment and succession planning for CEOs, boards of directors and key roles within the C-suite. We work closely with both public and private organizations across all industries and regions to build boards and executive teams that can meet the challenges and opportunities presented by the digital, economic, environmental and political trends reshaping the business landscape.

**We are always looking for top notch individuals who wants to be a part of your team.** Now, we are especially searching for **part time research assistants** to support our Stockholm office, starting fall (August/September) 2017. The ideal candidate has a strong passion for business and we value interest in areas such as finance, management and leadership. You hold frequent attention to business press and have general knowledge of the leading Swedish corporations and trends. We appreciate down to earth, intelligent, diligent individuals with the ability to integrate in a team-based firm working in a high paced professional environment.

**The research assistant will** assist our teams of consultants and researchers in daily operations. Typical tasks include industry mappings, analysis, preparing presentations for client interactions, transferring information into our database and more.

**We offer you** to be a part of high level projects regarding large listed companies, PE firms, private banks and corporates. An international environment and great social co-workers at a non hierarchical office located in central Stockholm. Flexible work hours to a minimum of 16 h a week.

**Candidates should** have at least 2 years until graduation and fluency in oral and written Swedish and English is a requirement.
