

# Keystone MCF

## M&A internship in Stockholm

With its current pipeline and strong order book, Keystone MCF is recruiting in Stockholm. This represents an opportunity for a successful candidate to join Keystone MCF's team and gain excellent transaction exposure on international cross-border deals. Keystone MCF offers an entrepreneurial environment where the professionals, while working together with colleagues from other offices, participate in all aspects of a transaction, including a great deal of responsibility early on.

Keystone MCF is looking to hire **1 full time intern** for the spring of 2018 (applicants are evaluated continuously)

### What we offer

- Exposure to international M&A transactions in a wide range of industries
- Strong involvement in projects and current mandates, including pitch preparation, target and investor identification, creating information memoranda as well as management presentations
- Diverse tasks ranging from company and market analysis, valuation and due diligence exercises
- Pleasant and stimulating working atmosphere with a flat hierarchy and a strong team spirit

### What you offer

- Advanced and successful studies in economics, finance or engineering
- Fluency in Swedish (native speaker or equivalent) and English
- Strong analytical skills combined with a relevant know-how in corporate finance and accounting
- Dedication and the ability to deliver high quality work under tight deadlines
- Being comfortable in working closely with both junior and senior team members
