

What you won't find in ABG Sundal Collier's decision-making tool box:

▲ Flipping a **coin** or **crown** is a method of deciding between two alternatives with a random yet equally probable outcome for either option.

We leave relying on luck to others.

Good advice is the result of thoughtful analysis by hardworking and talented employees.

ABG Sundal Collier is looking for graduates to strengthen our Investment Banking division in Stockholm. We are currently looking to hire interns and full-time analysts.

Eligible applicants should have strong academic results, high motivation, commercial orientation and good communications skills. Please note that proficiency in Swedish and English is required. For full-time analyst applicants, previous experience within investment banking, transaction advisory services or management consulting is preferred but not required.

The internship programme consists of minimum 8 weeks off-cycle internships where interns get to participate in the ongoing business and experience the inner workings of a premier Nordic investment bank.

Please submit your application on www.abgsc.com/recruiting

Deadline for internship applications: 6 May 2018
Deadline for full-time analyst applications: 13 May 2018
