

Investment Banking Analyst Intern

Fall 2018

UB Capital specializes in providing tailored advisory services regarding private M&A, restructurings, financing arrangements, and capital raisings. The advisory business covers a broad range of industry sectors, including Business Services, Consumer Goods & Retail, mature TMT, and the Industrial sector. Recent transactions include the divestment of LRF Konsult to Altor Equity Fund IV and advising Adolfsen Group in the acquisition of Frösunda Group from HG Capital. UB Capital is part of United Bankers Group, listed on Nasdaq Helsinki First North.

Your responsibilities will include:

- Carrying out in-depth company and industry research
- Performing valuation analysis and financial modelling
- Drafting presentations for client meetings
- Participating in all stages of the transaction processes from pitching to closing

We offer:

- Full time internship for 20 weeks during the fall of 2018
- Unique opportunity to experience the culture and atmosphere of a boutique investment bank in Stockholm
- Insight into the private M&A market

You have the following qualities:

- Highly motivated team player
- Excellent analytical, quantitative and communication skills
- Genuine interest in corporate finance
- Ability to perform under pressure

We seek candidates with:

- Previous internship and/or work experience
- Superior academic achievement
- Fluency in English and Swedish

Please send your application including cover letter, CV and transcripts of academic records to recruiting@ubcapital.com no later than 23rd of April. Please note that interviews will be held on an ongoing basis and that the position could be filled before the application deadline. Only successful candidates will be contacted.
