

Thesis with an international IT company in Uppsala in Finance / Economics

We are a growing international business with installations in over 20 countries and invite Finance / Economics students to write their thesis with us in 2018/2019.

We have recently signed some new larger clients internationally and we are looking to expand our team with top young talent in Finance / Economics for 2 thesis topics.

We work with:

- Tommy Hilfiger, Calvin Klein and Pepe Jeans

Awarded in London, Paris, Mumbai and Düsseldorf in the last few years. Join a fun, innovative, hard working, passionate team that brings the latest technology to retailers. Our team, focus on Europe and US markets. Most of our colleagues are international so English is our office language.

We invite to our benchmarking activities on a regular basis and then also have the opportunity to answer more questions. One of tentative topics is "How do large brands value their customer registry - comparing online to retail spending in various sectors".

What we offer:

- Direct link to major international retailers
- Young, dynamic and internationally-minded atmosphere
- Professional reference to help you with your future career

If you are interested in joining us for your thesis project, please send a few sentences about yourself, your CV and grades from completed courses to: hr@id24.com
