

# NORDIC INVESTMENT BANKING INTERNSHIP (A6896613)

BNP Paribas is a European leader in banking and financial services, with a significant and growing international presence in 75 countries and nearly 190,000 employees. Corporate & Institutional Banking is the investment bank division, with a strong global presence employing 20,000 across 50 countries, providing to its clients financing, advisory and capital market services.

The Nordic region is a strategic focus for BNP Paribas and one of the regions selected in the Group's growth strategy.

The Nordic Investment Banking team is now looking to add an intern during 2019 for 3-6 months in Stockholm. We seek analytical, numerate and entrepreneurial candidates capable of quickly understanding complex financial concepts and that enjoy working in a highly driven and social environment. The internship offer an opportunity to work both in a global & local context and be directly involved in large, complex cross-border M&A and ECM transactions.

## Main duties & responsibilities

Your role will be to assist the Nordic Investment Banking team in originating and executing transactions, exposing you to a wide range of clients and projects. The role includes:

- Strategic analysis on companies and sectors
- Assisting with the preparation of marketing and transaction material
- Financial analysis and valuation (comparable trading, DCF, LBO and precedent transactions)
- Actively participating in the transaction process

## You profile

You have knowledge in corporate finance, accounting and valuation, with past practical experiences considered a merit. Additionally, you bring along a can do-mentality, strong quantitative / technical abilities as well as outstanding communication and time management skills.

Language requirements: English and a Scandinavian language compulsory.

## More information
