

Business / Marketing Internship in Sweden

International Swedish IT company with installations in over 20 countries is looking for business and marketing interns for our office in Sweden

Awarded in London, Paris, Düsseldorf and Mumbai in the last few years, we develop content management software for customer display solutions and touch screen hardware manufactured in Uppsala, Sweden. We have ID24 software and ID24 hardware installed in over 20 countries including USA, Europe, Asia minor and South Africa. We work with clients such as Tommy Hilfiger and Gant.

Join a fun, innovative, hard working and passionate team that brings the latest technology to retailers. Our team is international and therefore our office language is English.

Uppsala is a major city in Sweden with an urban population of around 200 thousand. It has a rich history going back to the medieval times and have a vibrant international student life.

Your contributions to us:

- Help communication with prospective customers
- Handle research and maintain our database of prospective customers
- Assist in our marketing and brand awareness campaigns
- Customer relations
- Among many other tasks that naturally come in a small company

What we offer:

- Hands on working experience in business development and marketing
- Young, dynamic and internationally-minded working atmosphere
- Professional references to help you achieve a prosperous career

We are continuously looking for talented interns. If you are interested in joining us, please send us a few sentences about yourself along with your CV to management@id24.org
