## Consultant Intern Spring 2021

### WHO WE ARE

We are an internationally established boutique style company that works in the intersection between business performance and psychology. With an international client base, we work on an organizational as well as individual level. Where we are experts in driving change both in terms of leadership development as well as for large organizational transformation projects. Our aim is to lead the development within human capital through knowledge and experience.

We are a flat organization, where we believe all of our employees should have the responsibility and capacity to take initiatives and have a real impact on our business to make sure we are continuously growing. We are highly team oriented in our way of working, where we focus on creating a dynamic and energetic culture. This allows us to learn from each other and continuously improve our results and expand our organization.

### WHO YOU ARE

Our consultants are our core asset, we want you to be an energetic individual who is driven to develop both Cohr Group and the business of our client's. You should be triggered by the opportunity to make an impact and travel abroad regularly. A highly valued asset is to have an entrepreneurial spirit. At Cohr Group your ideas will be recognized and you will have the opportunity to work within all areas of the company and contribute to the company's success and continued growth. We want you to be highly proactive in your way of working, where you can handle several projects simultaneously. In addition to having strong social skills, we want you to be a solid team player and have a clear curious and development-oriented profile.

### Our Requirements

- Passion for driving transformation processes in larger organizations
- Interest in behavior science, from a business perspective
- Proactive and energetic
- Strong Social competence, including capacity to work in a team and create a positive and future-oriented atmosphere
- Highly self-driven, well-structured and able to think strategically / end-to-end

### Experience

- You have a University Degree in Business Administration, HR, Economics, or related field or are in your final year of your degree
- Documented will and capacity to deliver quality under high pressure
- Superior problem-solving skills and ability to work well under pressure in a demanding environment
- Outstanding academic track record
