

Investment Banking Analysts – Spring/Fall 2023

Lincoln International, Stockholm

We are Lincoln International

Lincoln International is a trusted investment banking adviser to business owners and senior executives of leading private equity firms and public and privately held companies globally. We have a global footprint with over 800 professionals across 21 offices in the Americas, Europe and Asia delivering local execution capabilities in all major markets.

In Stockholm, we are currently 15 bankers providing M&A advisory to clients across the Nordic region. The team is now looking to recruit additional full-time Analysts starting in January or August 2023.

The Role

As an Analyst at Lincoln you will be an integral part of our team, gaining responsibilities from day one delivering:

- Industry research and company valuation
- Preparing pitch books and marketing materials
- Facilitating due diligence processes
- Supporting deal negotiations
- Assisting in the marketing activities of the firm

The Analyst position offers an opportunity to work in a demanding yet supportive and team-oriented environment. We invest in the development of our junior bankers through proactive on-the-job training combined with global training programs. By combining high level of client and senior banker exposure with the robust deal flow you will quickly develop into a critical anchor in our deal team. Our globally integrated organisation provides the opportunity to work on cross-border engagements with international clients and deal teams, giving you an unmatched global perspective.

What we are looking for

To succeed as an Analyst, we believe that you have:

- A commercial mindset and a genuine interest in financial markets
- Excellent analytical skills; creativity combined with a critical mind and attention to detail
- Excellent writing, verbal communication skills
- Strong computer skills (Excel, PowerPoint, Word)
- Strong drive and an ability to work independently with an ample capacity for work
- A team-player attitude; relationship-building personality

You also have the following experience:

- Academic degree with excellent results from a leading university
- Fluency in English and one Nordic language
- Previous experience in investment banking, strategy consulting, private equity or similar is meriting
