

SEB Summer Internships

Looking for a big career step next summer? SEB's Summer Internship programme is open for applications until October 9th!

Featuring a wide variety of roles, from account management to product management, from analysis to sales, from legal to algorithms, and much more, these internships represent the broad spectrum of possibilities available at SEB.

These 10-week internships are very hands on, giving you the chance to work on real business projects, learn from more senior teammates, and build an incredible network.
